ADEA/Johnson & Johnson Healthcare Products Division of McNEIL-PPC, Inc. Awards Recognize Dental Students

WASHINGTON, DC—Johnson & Johnson Healthcare Products Division of McNEIL-PPC, Inc., sponsored awards for dental students at the 86th ADEA Annual Session and Exhibition in Phoenix, Arizona. The ADEA/Johnson & Johnson Healthcare Products Division of McNEIL-PPC, Inc. Preventive Dentistry Scholarships were presented to 12 predoctoral dental students during the Bridging the Gap Awards and Plenary.

“We are pleased to be collaborating with ADEA on the awards that recognize dental students who are inspired to improve the oral health of their communities. We wish all of the recipients the best in their academic careers,” said Elizabeth Roberts, D.D.S., M.B.A., Director, Scientific and Professional Affairs, Oral Care, North America, Johnson & Johnson Consumer & Personal Products Worldwide, Division of Johnson & Johnson Consumer Companies, Inc.

The purpose of these scholarships is to support predoctoral dental students who have demonstrated academic excellence in preventive dentistry. Each scholarship recipient will have \$2,500 applied to tuition and fees for predoctoral study. The recipients were nominated by the Dean of their dental school.

Recipients of the 2009 ADEA/Johnson & Johnson Healthcare Products Preventive Dentistry Scholarships are:

Payam Afzali, Columbia University College of Dental Medicine
Raquel Capote, University of Connecticut School of Dental Medicine
Ashley E. Gibbs, Case School of Dental Medicine
James Han, University of California, San Francisco School of Dentistry
Goldwyn Jequinto, University of Southern California School of Dentistry
Cassandra L. Jones, Arizona School of Dentistry and Oral Health
Elias Kamaal Josephs, Columbia University College of Dental Medicine
Aram Kim, Harvard School of Dental Medicine
Avni Mahendra Maru, Case School of Dental Medicine
Tim Richardson, University of Washington School of Dentistry
Maria Fernanda Velasco, University of Pennsylvania School of Dental Medicine
Seung Hyun Yu, University of Washington School of Dentistry

“ADEA congratulates the award recipients for their excellence in scholarship and dedication to exploring areas of dentistry that can improve the oral health of the public. Johnson & Johnson Healthcare Products has been a wonderful partner in dental education,” said 2008-09 ADEA President Charles N. Bertolami, D.D.S., D.Med.Sc.

About the American Dental Education Association

The American Dental Education Association (ADEA) is the voice of dental education. Its members include all U.S. and Canadian dental schools and many allied and postdoctoral dental education programs, corporations, faculty, and students. The mission of ADEA is to lead individuals and institutions of the dental education community to address contemporary issues influencing education, research, and the delivery of oral health care for the health of the public. ADEA's activities encompass a wide range of research, advocacy, faculty development, meetings, and communications like the esteemed *Journal of Dental Education*, as well as the dental school admissions services AADSAS and PASS.
